

## 2021 AFS Safe Year Award Application

### Award Criteria

The AFS Safe Year Award recognizes AFS Corporate Member facilities, at a single location, which have achieved one year (365 consecutive calendar days) without a lost-time incident or death. Because the Environmental, Health & Safety (EHS) Conference has been moved from August to October of each year, the due date for Safe Year Award applications has been pushed back to June 1 of each year. The one-year count begins the day after your last lost-time incident. When 365 consecutive calendar days have passed without a lost-time incident or death, the company may submit a verified application. Applications must be only for a 365-day period. (For example, if the last lost time incident occurred on May 10<sup>th</sup>, 2019 the award application would be for May 11<sup>th</sup>, 2019 through May 10<sup>th</sup>, 2020.)

Only AFS Corporate Members are eligible to enter. Application deadline is Monday, June 14<sup>th</sup>, 2021. The awards will be presented at the AFS Environmental Health & Safety Conference the following October. If you have any questions, please call (800) 537-4237, ext. 246 or email [kperna@afsinc.org](mailto:kperna@afsinc.org)
