

2020 AFS Millionaires Safety Award Application

Award Criteria

The AFS Millionaires Safety Award recognizes AFS Corporate Member facilities, at a single location, which have achieved one-million hours, or any million-hour increment, without a lost-time incident (injury, illness or death). The work-hour count begins the day following the facility's last lost-time incident. The millionth-hour milestone must have been reached during the period between January 1, 2020, and December 31, 2020.

Note: Reaching the million-hour increment does not mean that all hours were accumulated in 2020. It may take years to achieve, but the final millionth-hour must have been reached during 2020.

Only AFS Corporate Members are eligible to enter. Application deadline is January 31, 2021. The awards will be presented at the Metalcasting Congress, April 13-15, 2021, in Milwaukee, WI. If you have any questions, please call (800) 537-4237, ext. 224 or email jgaresche@afsinc.org.

Application Details — (Please type/print)

Organization name (Name as it will appear on the plaque): _____

Award Facility Location: _____ NAICS/SIC: _____

Process/Product(s) Made: _____ Number of Employees: _____
