CATEGORY LISTINGS

Listing in up to 10 categories is free for *all* companies, and listing in up to 30 categories is free for companies *which advertise in the Buyer's Guide*. Additional categories for your company listing may be purchased for \$100 per year per 10 additional categories.

A complete list of available categories can be found at [this link](#). Please note there are 10 "master categories": Cleaning & Finishing; Consultants, Management Services & Education; Laboratory, Testing & Inspection; Maintenance; Melting, Pouring & Heat Treatment; Mold, Core & Sand Preparation; Packaging & Shipping; Patternmaking; Safety & Environmental; and Software & Management Systems. Companies cannot be listed under the master categories; you must choose the appropriate sub-categories for your company.

You may use the next page to list your chosen categories, or feel free to submit as a separate document if you prefer.
