SUPPLIER RULES & REGULATIONS

All Exhibitors at **CastExpo 2019** are required to contract for space and subscribe to the following Official Rules & Regulations as developed by Show Management.

EXHIBITOR QUALIFICATIONS

Exhibiting companies must be engaged in, or be associated with the industry in areas of equipment, consumable products, processes, instrumentation engineering and other applicable services related to the manufacture and processing of the cast product. **NO USED** equipment can qualify or be approved for Exhibits in the Exposition Hall. **Only one company may exhibit in a single booth.**

SPACE RENTAL AND INITIAL DEPOSIT

Assigned space will be charged on the basis of \$32 U.S. per square foot or \$27 U.S. per square foot for American Foundry Society (AFS) Corporate Members. Space sizes are shown on the Floor Plan with minimum booth space at 10 ft. x10 ft. Space applications must be accompanied by a deposit of \$1,000 that will be applied against the total space rental. **The deposit is non-refundable at any time.**

ASSIGNMENT AND PAYMENT OF SPACE

Space assignments must be accepted within 30 days of receipt of invoice, with payments to be made as follows: Fifty percent (50%) of the space cost, less the \$1,000 deposit, due within 30 days after receipt of space assignment and invoice. Final payment due on or before January 4, 2019. Failure to make timely payments may result in cancellation of space.

CANCELLATION OF EXHIBIT SPACE—REFUND

In the event of Exhibit space cancellation or reduction, a refund can be made, **less the non-refundable \$1,000 deposit**, providing the cancellation is received in writing by November 1, 2018. **No refunds will be made on cancellations or space reductions after this date and may not be applied to other services.**

EXHIBITORS' USE OF SPACE

In compliance with the official contract, Exhibitors agree not to assign, sublet or apportion space, or any part thereof allotted to them. **They agree not to exhibit, advertise or offer for sale goods other than those manufactured by themselves in the regular course of business.** The exception to this rule is when non-proprietary goods are manufactured outside of the United States and the Exhibitor is the sole United States sales representative for the respective goods.

The use of materials in any form and/or equipment of non-exhibiting companies is prohibited. Exhibitors requiring materials or equipment in their Exhibits, which they do not produce, must confine their selection from participating Exhibitors.

No Exhibitor will be permitted to display, advertise or offer for sale any used equipment or machinery. No Exhibitor will be permitted to have retail sales on the floor.

A verbal warning by Show Management will be given once to any Exhibitor violating these rules. If the violation continues, Show Management reserves the right to confiscate the objectionable material/item for the remainder of the show days, or to authorize the removal of the Exhibit booth from the Exhibit area at the cost of the Exhibiting company, including forfeiture of all charges and fees.

USE OF AISLES

The aisles, passageways and overhead spaces remain strictly under the control of CastExpo. No signs, decorations, banners, advertising matter or special Exhibits will be permitted in the aisles. Uniformed attendants, models, mascots and other employees must remain in the booth occupied by their employers. All advertising distribution must be made from the Exhibitor's booth space and space must be left within an Exhibitor's area to accommodate spectators.

ARRANGEMENT OF EXHIBITS—HEIGHT LIMITATIONS

Exhibits shall be arranged as not to obstruct the general view or hide other Exhibits.

The standard in-line booth height is an 8 ft. high back wall with 4 ft. high division rails. No Exhibit construction and/or signage may exceed the maximum 8 ft. overall height with the exception of equipment. Side-walls on standard in-line booths are limited to the 8 ft. height, out to one half the depth of the Exhibit space, and from that point to the aisle a maximum height of 4ft. is permitted.

Perimeter In-line booths (less than 400 square feet) are permitted a 12 ft. high back wall including signage but are subject to standard in-line booth restrictions on sidewalls.

End Cap booths are not permitted, however peninsula booths of 400 square feet or larger are permissible. A peninsula booth which backs up to two standard In-line booths is subject to a back wall restriction of 4 ft. high within 5 ft. of each aisle to permit an adequate line of sight of the adjoining In-line booths. The height allowance for the center portion of the back wall including signage is 16 ft.

Split Island (a peninsula which shares a common back wall with another similar sized peninsula), spaces of 400 square feet or larger are encouraged to use the full cubic area with a 22 ft. height limitation to the top of the display.

All exposed parts of Exhibits must be finished so as not to present an unsightly appearance when viewing from adjoining booths or aisles. Show Management may order masking drape at Exhibitor's expense if deemed necessary.

Canopies, ceilings and multi-story Exhibits are governed by facility fire and safety regulations. Hanging signs and graphics are only permissible for peninsula and island booths but must be approved in advance. Drawings and specs must be submitted to Show Management at least eight weeks prior to the first installation date. A maximum height of 24 ft. from floor to top of sign is allowed and must remain within the confines of the contracted space.

INSTALLATION AND DISMANTLING

All Exhibits must be completed, manned and ready for business by 8 a.m., Saturday, April 27, 2019. No Exhibits shall be dismantled prior to 2 p.m., Tuesday, April 30, 2019. No crates will be delivered to Exhibitor booths prior to that hour. Exhibitors shall be governed by the following periods for installation and dismantling of Exhibits:

Show Management shall have the right to use said space to suit its own convenience, including selling the space to another Exhibitor without any refund, rebate allowance to the defaulting Exhibitor and without incurring any obligation of any kind to said defaulting Exhibitor.

EXHIBITOR'S AUTHORIZED REPRESENTATIVE

Each Exhibitor must name at least one person to be the representative in connection with installation, operation and removal of the Exhibit. Such person shall be authorized to enter into service contracts as may be necessary, and for which the Exhibitor shall be responsible.

The online services manual will contain names and information pertaining to various service offerings along with ordering details. **Exhibitors planning to use labor provided by a Display House must notify Show Management, in writing, by January 4, 2019.**

Insurance forms must be provided by the Display House and must accompany this notification.

SAFETY, FIRE AND HEALTH

All display or Exhibit materials and equipment must be reasonably located and protected by safety barrier guards and be fireproofed to prevent hazards and personal accidents to spectators. Recommendations submitted by Show Management shall be complied with by Exhibitors before the opening of the show.

All Exhibitors planning to use consumables such as gases, core/mold binders, chemicals and catalytic agents **MUST** furnish Material Safety Data Sheets on such items to Show Management and have extra copies available for the host city authorities. These forms should be sent to Show Management no later than **March 1, 2019**. Each Exhibitor using such materials is responsible for disposal of these materials, which also must be kept within the confines of the booth. This also includes waste resulting from demonstrations.

Wherever demonstration materials can be considered flammable a permit is required and the Exhibitor is responsible for providing fire extinguishers at the location of the potential hazard.

CARE OF BUILDING

No Exhibitor may allow any article to be brought onto, nor permit any act to be done on, the premises that will vitiate or increase insurance premiums held by either Show or Convention Hall Management. No Exhibitor may permit any act by its employees by reason of which the premises shall in any manner be marred or defaced. Exhibitors must surrender space occupied in the same condition as at the time of occupation. Any damage done to the premises by the Exhibitor shall be made good to either **AFS** or the building owners, as their interests may appear.
