# of Metalcasting

## WHEN:

Sunday, April 17, 2016  
3:00 p.m. - 5:00p.m. CST  
CastExpo '16

## WHERE:

Minneapolis Convention Center  
1301 2nd Ave S.  
Minneapolis, MN 55403  
Room : 102 F

## THE FOCUS OF THIS MEETING IS ON:

**Personal Strategic Planning** - As a follow up to Charles I. Dixon's presentation at the October FLM meeting, each FLM member will be developing their own personal strategic plan for 2016. Through the strategic planning process, members will define their current goals and create action steps to help reach those goals. The completed plan will serve as a basis for everyday decision making and provide a framework for both personal and professional development.

**Roundtable Discussions** - Furthering the discussion on Personal Strategic Planning, members will have the opportunity to network with other executives from metalcasting facilities across the U.S. for a more intimate conversation and personal application.

**\*Hors d'oeuvres and host bar will be available.**
